

We all have a weakness  
But some of ours are easier to identify  
Look me in the eye  
And ask for forgiveness  
We'll make a pact to never speak that word again  
Yes, you are my friend

We all have something that digs at us  
Atleast we dig each other  
So when weakness turns my ego up  
I know you'll count on the me from yesterday

If I turn into another  
Dig me up from under what is covering  
The better part of me  
Sing this song  
Remind me that we'll always have each other  
When everything else is gone

We all have a sickness  
That cleverly attaches and multiplies  
No matter how we try

We all have someone that digs at us  
Atleast we dig each other  
So when sickness turns my ego up  
I know you'll act as a clever medicine

If I turn into another  
Dig me up from under what is covering  
The better part of me  
Sing this song  
Remind me that we'll always have each other  
When everything else is gone  
Oh, each other... when everything else is gone

Oh, oh, oh, oh, oh, oh, oh, ohh  
oh, oh, oh, oh, oh, oh, ohhhh

If I turn into another  
Dig me up from under what is covering  
The better part of me  
Sing this song  
Remind me that we'll always have each other  
When everything else is gone  
Oh, each other... when everything else is gone  
Oh, each other... when everything else is gone
