

Dig

Incubus

We all have a weakness
But some of ours are easier to identify
Look me in the eye
And ask for forgiveness
We'll make a pact to never speak that word again
Yes, you are my friend

We all have something that digs at us
Atleast we dig each other
So when weakness turns my ego up
I know you'll count on the me from yesterday

If I turn into another
Dig me up from under what is covering
The better part of me
Sing this song
Remind me that we'll always have each other
When everything else is gone

We all have a sickness
That cleverly attaches and multiplies
No matter how we try

We all have someone that digs at us
Atleast we dig each other
So when sickness turns my ego up
I know you'll act as a clever medicine

If I turn into another
Dig me up from under what is covering
The better part of me
Sing this song
Remind me that we'll always have each other
When everything else is gone
Oh, each other... when everything else is gone

Oh, oh, oh, oh, oh, oh, oh, ohh
oh, oh, oh, oh, oh, oh, ohhhh

If I turn into another
Dig me up from under what is covering
The better part of me
Sing this song
Remind me that we'll always have each other
When everything else is gone
Oh, each other... when everything else is gone
Oh, each other... when everything else is gone
