

Familiar Faces

Incubus

Where'd my heroes go?
Did they change or did I?
Man it gets me, gets me every time
The punch is spiked and I wanna keep the lights on

This place is so familiar
Your face is so familiar
This place is so..
Your face is so... so familiar

I miss them golden days
I could trust not fight
Now it hits me right between the eyes, ah huh
Familiar faces, rallying round a lie... oh oh ohhh

This place is so familiar
Your face is so familiar
This place is so and your face is so..
It's so familiar

Here we go wild
It's time for you to come out of hibernation
Here we go wild
It's time for you to come out of hibernation
World has gone wild
It's time for us to come out of hibernation
World has gone wild
It's time for us to come out of hibernation

This place is so familiar
Your face is so familiar
This place is so..
Your face is so...

How many tries before we get it right?
Yeah, right
Get it right
Yeah..ohhhh
