

## Stellar

Incubus

You are stellar

Meet me in outer space  
We could spend the night  
Watch the earth come up  
I've grown tired of that place  
Won't you come with me?  
We could start again

How do you do it?  
You make me feel like I do  
How do you do it?  
It's better than I ever knew, ho

Meet me in outer space  
I will hold you close  
If you're afraid of heights  
I need you to see this place  
It might be the only way  
That I can show you how  
It feels to be inside of you

How do you do it?  
You make me feel like I do  
How do you do it?  
It's better than I ever knew, yea  
How do you do it?  
You make me feel like I do  
You do

Ohh  
You are stellar  
You are stellar

How do you do it?  
You make me feel like I do  
How do you do it?  
Its better than I ever knew, no  
How do you do it?  
You make me feel like I do  
How do you do it?  
You make me feel like I do  
Yea
