

Good Morning

India.Arie

Good morning silence
Good morning to myself
Good morning to the pain
In the center of my chest

It's crazy how much I miss
A simple good morning kiss

Good morning independence
Or is it loneliness?
I know I said I wanted this
But I have regrets

I pray for God's will will to be done
The very next day you were gone

And good morning to the harsh
Realities of life
And good mourning to the fact
We're not husband and wife

We made a promise to stay
Destiny got in the way

Good morning

Good morning acceptance
Good morning inner strength
I'm loving every moment
Even the strain

It's crazy how much I miss
A simple good morning kiss
It's crazy how much I've missed
Now it's time for me to live

Good morning

Good morning optimism
Good morning to my faith
Good morning to the beginning
Of a brand new day

I know that God's will will be done
So I lay down my pain and I'm moving on

I know that God's will will be done
It's a good morning after all
