Good Morning

India.Arie

Good morning silence Good morning to myself Good morning to the pain In the center of my chest

It's crazy how much I miss
A simple good morning kiss

Good morning independence Or is it loneliness? I know I said I wanted this But I have regrets

I pray for God's will will to be done The very next day you were gone

And food morning to the harsh Realities of life And good mourning to the fact We're not husband and wife

We made a promise to stay Destiny got in the way

Good morning

Good morning acceptance Good morning inner strength I'm loving every moment Even the strain

It's crazy how much I miss
A simple good morning kiss
It's crazy how much I've missed
Now it's time for me to live

Good morning

Good morning optimism
Good morning to my faith
Good morning to the beginning
Of a brand new day

I know that God's will will be done So I lay down my pain and I'm moving on

I know that God's will will be done
It's a good morning after all
