

# He Heals Me

India.Arie

He heals me  
Told him my biggest secret  
And he told me four.  
He smiled at me and said that makes me love more  
And then he made me laugh  
And I knew it was a sign  
That he was a man,  
That I wanted in my life

And with every passing day  
I feel more and more of that way

He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me,  
He heals me

I can play him songs, all through the night,  
And he will listen to every line,  
And even when I'm wrong, he is still kind  
He chooses his words wisely when he tells me I'm not right.

And yes he is a beautiful man,  
But he is also a beautiful friend

He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me

The moment that we met, he made me smile.  
He has so much compassion in his eyes  
I have no idea, how long he'll be here  
A season or a lifetime, forever or a year  
But for the first time in my life I'm not worried about the future  
Because we have such a wonderful time when we're together  
However things turn out, it's all right  
Cause he's already changed my life.

He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me  
He knows the real me  
And he accepts me, he never hurts me  
He heals me.....
