Sometimes I shave my legs and sometimes I don't  
Sometimes I comb my hair and sometimes I won't  
Depend of how the wind blows I might even paint my toes  
It really just depends on whatever feels good in my soul

I'm not the average girl from your video  
And I ain't built like a supermodel  
But I learned to love myself unconditionally  
Because I am a queen  
I not the average girl from your video  
My worth is not determined by the price of my clothes  
No matter what I'm wearing I will always be

When I look in the mirror and the only one there is me  
Every freckle on my face is where it's suppose to be  
And I know my creator didn't make no mistakes on me  
My feet, my thighs, my lips, my eyes, I'm loving what I see

I'm not the average girl from your video  
And I ain't built like a supermodel  
But I learned to love myself unconditionally  
Because I am a queen  
I not the average girl from your video  
My worth is not determined by the price of my clothes

Am I less of a lady if I don't wear panty hose  
My momma said a lady ain't what she wears but what she knowsâ?!  
But I've drawn the conclusion, it's all an illusion  
Confusion's the name of the game  
A misconception, a mass deception,  
Something gotta change

Now don't be offended this is all my opinion  
Ain't nothing that I'm saying law  
This is a true confession  
Of a life learned lesson  
I was sent here to share with y'all  
So get in when you fit in  
Go on and shine  
Clear your mind  
Now's the time  
Put your salt on the shelf  
Go on and love yourself  
Cause everything's gonna be alright

I'm not the average girl from your video  
And I ain't built like a supermodel  
But I learned to love myself unconditionally  
Because I am a queen  
I not the average girl from your video  
My worth is not determined by the price of my clothes  
No matter what I'm wearing I will always be

Keep your fancy drink, and your expensive minks  
I don't need that to have a good time  
Keep your expensive cars and your caviar  
All I need is my guitar

Keep your crystal and your pistol  
I'd rather have a pretty piece of crystal  
Don't need you silicone, I prefer my own  
What god gave me is just fine

I'm not the average girl from your video  
And I ain't built like a supermodel  
But I learned to love myself unconditionally  
Because I am a queen  
I not the average girl from your video  
My worth is not determined by the price of my clothes  
No matter what I'm wearing I will always be
