

## Back Together Again

Indigo Girls

Leaving ain't fair y'know parting ain't just  
But people move on people got to do what they must  
And we're back together again  
And I'm never gonna lose you as a friend

Growing up green, growing up wild  
If you want to know the secret behind the smile you gotta ask a  
Tuesday's child  
And we're back together again  
And I'm never gonna lose you as a friend

Well I guess that highway got a hold of me  
Thinking crazy thoughts as if it was going to set me free

This ain't my place you know this ain't my home  
And I'm not gonna feel right till you get us back behind the mi  
crophones  
And we're back together again  
And I'm never gonna lose you as a friend  
And I'm never gonna lose you as a friend
