Down By The River

Indigo Girls

Be on my side, I'll be on your side There is no reason for you to hide It's so hard, staying here all alone You could be taking me for a ride

She could drag me over the rainbow Send me away Down by the river, I shot my baby Down by the river, dead

Take my hand, I'll take your hand, baby Together we may get away This much madness is too much sorrow It's impossible to make it today, oh baby

She could drag me over the rainbow Send me away Down by the river, I shot my baby Down by the river, dead

Be on my side, I'll be on your side Baby, there ain't no reason for us to hide It's so hard, staying here all alone You should be taking me for a ride, oh baby

She could drag me over the rainbow And send me away Down by the river, I shot my baby Down by the river, I shot my baby

You take my hand and I'll take your hand baby Together we may get away This much madness is too much sorrow It's impossible to make it today This much madness is too much sorrow It's impossible to make it today Down by the river
