

# Get Together

Indigo Girls

Love is but a song we sing  
And fear's the way we die  
You can make the mountains ring  
Or make the angels cry  
Though the bird is on the wing  
You may not know why

Come on people now smile on your brother  
Everybody get together  
Gotta love one another right now

Some may come and some may go  
We will surely pass  
When the one that left us here  
Returns for us at last  
We are but a moment's sunlight  
Fading in the grass yeah

Come on people now smile on your brother  
Everybody get together  
Gotta love one another right now

Come on people now smile on your brother  
Everybody get together  
Gotta love one another right now

If you hear the song we sing  
You will understand  
You hold the key to love and fear  
Hold in your trembling hand  
Just one key unlocks them both  
It's there at your command

Come on people now smile on your brother  
Everybody get together  
Gotta love one another right now  
Yeah

Come on people now smile on your brother  
Everybody get together  
Try to love one another right now  
Try to love one another right now
