

Scooter Boys

Indigo Girls

Scooter boys and Argentinians
Europe shed the blood of the Indians
Here I sit in the land of plenty
Crying about my own virginity

Hey blue blood you're nothing new
See I come from privilege too
A chapter in the book on the Americas
And your just another colonial terrorist

Scooter boys and Argentinians
Europe shed the blood of the Indians
Here I sit in the land of plenty
Crying about my own virginity

Yeah
Yeah

Yeah
Yeah

Way down south where the Maya reign
Zapata reading poetry in his grave
They say we're stealing from the best
To feed the poor
Well they need more

Scooter boys and Argentinians
Europe shed the blood of the Indians
Here I sit in the land of plenty
Crying about my own virginity

Yeah
Yeah

Oh

Yeah
Yeah
