I'll Never Let You Go

One two three four (turn it up) - Just wanna tell you now Cinq six sept huit - I'll never let you go One two three four (turn it up) - It's all for you now Cinq six sept huit - I'll never let you go

In your arms I fall Every time you're at my door My heart yes my sweet love Your eyes tell me my love You make me lose control Step in, take my sweet home This all your..... Show me what's inside

Oh dis moi... Je t'aime

So what, In my home Let me take you back if In my home But I hold on that is what we are searching Want to get you dreams and a life a happy end So go, take your pack and get a suitcase Bring yourself to me we're gonna have a B'n'B And that's forever, yes, I guess we're gonna do that Wanna tell ya know that I will never let you go, no

Dis moi... My love... ah...

One two three four - More and more... I like it One two three four - More and more... I like it
