

## Riot Riot

Infra Riot

Now listen to me I'm telling you  
Fuck the rest, it's not good for you  
Preach to me don't follow me  
Always fight just wait and see

[Chorus:]  
Riot riot  
Here we go  
Riot riot  
They love us now (???)  
Riot riot  
Give a show  
Riot riot  
Have a go

So one thing that's hard for me  
All we do is rock the sea  
What do we do we keep it shut  
Don't have our manners and don't give a fuck
