

School's Out

Infa Riot

Going to an evil school

Going to a ???

After break it's double mass

When that's done we change the class

I'm not taken seriously

Cause they don't know me, who you want to be

School is boring, it's a waste of time

School is boring, It's an uphill climb

??? I stand up no way

Boring school, they think you're thick

Boring school, it's making me sick

Sick, sick and I'm so sick sick sick so sick

Mom and Dad sleep away all day

Teachers sit there by and play

I don't know what I haven't heard

All they do is just sit and stare

??? your books at Jimmy Jones

When that's done we can all go home

Said I couldn't read or write

Said I couldn't stop ???

Since that day I've stayed away

The morons said it's not OK

I'm not going I'm staying home

I'm not going back to that dirty hole
