

Anal Prolapse Suffocation

Infant Annihilator

Nails pin the hands and the feet of the infant children to the telephone poles. The crows feed upon their carrion. Their empty eyes stare through the swarms of malignant flies as their blood sweats through the soil. Mothers weep at their children's bloody feet; the cries of every mother blend in with each other creating a mass hum that reverberates around the world. The families that resisted were soaked in gasoline then burnt alive - all burnt inside their own homes. As I walk through the valley of the shadow of death I cast my eyes upon a mother weeping at the feet of her murdered family. I grab her by her hair then I drag her into an alley where I sodomize her. As I fuck her, I smash her face into the bricks. Choking, pounding, I fuck and strangle her until I cum onto her deconstructed face. Once my dick pulls out her intestines hit the floor. Her ass tears then her bowls began to pour. I watch her bleed out.
