

## Cities of the Future

Infected Mushroom

We gonna run run run  
To the cities of the future  
Take what we can and bring it back home  
So take me down to the cities of the future  
Everybody's happy and i feel at home

I found myself going away  
Never wanting to go back again.  
Leaving all my thoughts behind  
Searching for some new ones inside.

I found myself (8x)

Run run run  
To the cities of the future  
Take what we can and bring it back home  
So take me down to the cities of the future  
Everybody's happy and i feel at home.

We gonna run run run  
To the cities of the future  
Take what we can and bring it back home  
So take me down to the cities of the future  
Everybody's happy and i feel at home.
