## Cities of the Future

## **Infected Mushroom**

We gonna run run
To the cities of the future
Take what we can and bring it back home
So take me down to the cities of the future
Everybody's happy and i feel at home

I found myself going away Never wanting to go back again. Leaving all my thoughts behind Searching for some new ones inside.

I found myself (8x)

Run run run
To the cities of the future
Take what we can and bring it back home
So take me down to the cities of the future
Everybody's happy and i feel at home.

We gonna run run
To the cities of the future
Take what we can and bring it back home
So take me down to the cities of the future
Everybody's happy and i feel at home.
