

Me against you

Infected Rain

You insult me 'cause I'm different
You accuse me 'cause I'm strange
Yes! you like me it's apparent
But here i am up on this stage

Come over here
Tell me, what you want to hear
What's your problem
What's your bound
You don't like me?
So what?
Me against you
Tell me what you want to do
You want to bite me
You want a fight
I'm not scared, turn off the light! ! ! !

Hey! who are you to judge me
Who? who are you to care
I, I will be so happy
And, i don't need you there

Come over here
Tell me, what you want to hear
What's your problem
What's your bound
You don't like me?
And so what?
Me against you
Tell me what you want to do
You want to bite me
You want a fight
I'm not scared, turn off the light! ! ! !

I was: speechless

Invisible
Weeping
And hysterical

I needed: reanimation
Cold bath
A good
Acceleration

Come over here
Tell me, what you want to hear
What's your problem
What's your bound
You don't like me?
And so what?
Me against you
Tell me what you want to do
You want to bite me
You want a fight
I'm not scared, turn off the light! ! ! !

Come over here
Tell me, what you want to hear
You want to bite me
You want a fight
I'm not scared, turn off the light! ! ! !
Me against you
Tell me what you want to do
You want to bite me
You want a fight
I'm not scared, turn off the light! ! ! !

Who are you to judge me?
Who are you to care?
I will be so happy
And i don't need you there.....
