

# Do What I Tell Ya!

## Infectious Grooves

You'll do what I tell ya!  
And I watch you sweat. Then I'll watch you shake  
And then you beg. And then you scream "I'll do what  
you tell me!"  
You'll do what I tell ya! That is right, Punk!  
See, I think you're gonna have to find out the  
hard way!  
You'll do what I tell you! I'm gonna fuck you up!  
And let me tell you just why

On the mic, you talk about gettin' violent  
But to the man with the badge you're nothin' but silent  
So now it's the governmentt you wanna overthrow?  
But first it's off to the next oversized show!  
Now you're makin' your political statement  
Or are you trying to add to your financial statement  
And let's not forget the evil corporations  
Then why is SONY the sponsor of your  
presentation? Bitch!

You'll do what I tell ya! Oh yea! You'll do what I tell  
ya! I'm gonna fuck you up!  
You'll do what I tell ya - you're nothin' but a Punk!  
You'll do what I tell ya. We're gonna go head up!  
First you sweat! And then you shake! And then you  
beg. And then you plead. And then you shake  
And then you sweat. And then you scream "I'll do  
what you tell me."  
You'll do what I tell you. Oh yea. I'm gonna  
fuck you up!  
You'll do what I tell you. I'm gonna show you what is  
up. I'm gonna fuck you up!  
'Cause you're a pussy. 'Cause you're a bitch. And  
'cause you fuckin' deserve it!

You'll do what I tell ya -  
Nothin' but shit  
You're full of shit  
And I don't like shit  
I'll fuck up your shit  
You ain't shit!  
And I don't like shit!  
You're full of shit!  
And I'll fuck up your shit! Pussy!
