

Leave Me Alone

Infectious Grooves

Leave me alone

Well I don't need understanding
Just wanna be left alone
I don't need your peace or your comfort
Just leave me alone

When was the last time that you listened
Heard what I said and thought about it
Gave it a chance before you thrashed it

Well I don't need no hugs and kisses
Just wanna be left alone
I don't need your strength and your guidance
Just leave me alone

What must I do to prove I mean it
I cannot wait for your acceptance

Well I don't need your help in healing
I just wanna be left alone
And I don't need your gifts of kindness
Just leave me alone
And I don't need a new environment
I just wanna be left alone
And I don't need a new agenda
I just wanna be left alone

How many times must we argue
How many fights must we be in
How many times must I tell you

That I don't need your understanding
I just wanna be left alone
And I don't need your peace and comfort
I just wanna be left alone
And to you there is no reason but to me it's full of treason
And I refuse to waiver 'cause I already tasted the flavour
And I know I'm out of place when I see a smiling face
And I'll be leaving without haste before I'm left with more bad taste

Leave me alone
Leave me alone
Leave me alone
Leave me alone
