

I Won't Be Crying

Infernal

You always check yourself,
In every mirror you see, Day and night
And it is such a shame, Your vanity is to blame,
Oh why don't you knock it off

It is the pointlessness, that's got me loving less,
I can not handle that your such a wannabe,
Your caught up in yourself, and you don't even see

I wont be cryin when I'm lonely,
Coz I'll be makin sure I have a good time,
Aint nothing wrong when I'm alone now,
Coz I'm alone and I'm proud
I wont be cryin when I'm lonely

I'm sure you don't believe,
That anybody can tell, your a fool
I'll bet that you believe,
They only think that your cool, and a handsome devil to

But baby trust me now, you better turn around,
Coz otherwise your gonna fall and hit the ground,
Coz all this beauty boy, Wont last eternally

I wont be cryin when I'm lonely,
Coz I'll be makin sure I have a good time,
Aint nothing wrong when I'm alone now,
Coz I'm alone and I'm proud
I wont be cryin when I'm lonely

[heavy breathing]

Lonely [x14]

I wont be cryin when I'm lonely,
Coz I'll be makin sure I have a good time,
Aint nothing wrong when I'm alone now,
Coz I'm alone and I'm proud
I wont be cryin when I'm lonely
Coz I'll be makin sure I have a good time,
Aint nothing wrong when I'm alone now,
Coz I'm alone and I'm proud
I wont be cryin when I'm lonely
