

Loved Like A Maniac

Infernal

Don't give me love,
give me joy,
give me another loverboy
'cause I deserve to be loved like a maniac.

Yeah give me love and give me joy
give me another lover boy
'cause I just wanna be loved like a maniac.

So many nights
I thought of calling but I know
that I don't really need your love
just my ego holdin' on.

And I should keep away from you
no longer claimin' to be blue
because it isn't really so
I should really let you go.

And get another
seek as it won't bother me
it's now, it's time finally
And I'll get me another boy
'cause I deserve to be free

So give me love,
give me joy,
give me another loverboy
'cause I deserve to be loved like a maniac.

Yeah give me love and give me joy
I need another lover boy
'cause I just wanna be loved like a maniac.

loved like a maniac [x5]

I know that we've been
hanging on for quite a while
even though we knew
that the loving wasn't true
So now I ask if we should quit
before we start regretting this
and give into bitterness
'cause that's what we will unless

We give each other
time to find another
it's now, it's time finally
I'll get us another toy
'cause we deserve to be free

So give me love,
give me joy,
give me another loverboy
'cause I deserve to be loved like a maniac.

Yeah give me love and give me joy

I need another lover boy
'cause I just wanna be loved like a maniac.

loved like a maniac [x5]

Oh no I ain't gonna cry
I'm not imprisoned by you no no
I'm gonna get up, I'm gonna live up
Oh no I ain't gonna cry

So give me love,
give me joy,
give me another loverboy
yeah yeah yeah

Yeah give me love and give me joy
I need another lover boy
yeah like a maniac.

So give me love,
give me joy,
give me another loverboy
'cause I deserve to be loved like a maniac.

Yeah give me love and give me joy
I need another lover boy
'cause I just wanna be loved like a maniac.

loved like a maniac [x5]
