

Materialize!

Infernal

Move! Like you want it, want it
Take! If you want it, want it
Say how you want it, want it
Make it materialize!
If you want it, want it
Work! 'Cause you want it, want it
Please, just do something 'bout it

Loosen up
'Cause you are close enough
It's up to you, no in-between
Get serious
Come on, level up
You've gotta show what you need, need, need
When it all is said and done
When the moment comes around
You've gotta take it all the way
From emotion into motion

Move! Like you want it, want it
Take! If you want it, want it
Say how you want it, want it
Make it materialize!
If you want it, want it
Work! 'Cause you want it, want it
Please, just do something 'bout it
Make it materialize!

Material
Make it material
Make it material
Make it materialize

Material
Make it material
Make it material
Make it materialize

Stir it up
You don't know what you've got
Release the clutch, get in touch, come on - speed it up
Don't hesitate, accelerate
It's right here, no need to wait
'Cause life is never hit and run
Stay the course and see it done
And if you don't, you'll never know
Make it happen, make a show!

Move! Like you want it, want it
Take! If you want it, want it
Say how you want it, want it
Make it materialize!
If you want it, want it
Work! 'Cause you want it, want it
Please, just do something 'bout it
Make it materialize!

Material
Make it material
Make it material
Make it materialize

Material
Make it material
Make it material
Make it materialize
Make it materialize

Move! Like you want it
Take! If you want it
Say how you want it
Make it materialize!
If you want it
Work! 'Cause you want it
Please, just do something 'bout it

Move! Like you want it, want it
Take! If you want it, want it
Say how you want it, want it
Make it materialize!
If you want it, want it
