

# Plastic Fantastic

Infernal

Plastic fantastic  
na, na, na, na, na, na,  
Do something drastic  
na, na, na, na, na, na  
na, na, na, na, na, na  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically

Go pursue  
Every sexy vision of you  
It's your right to pave your way  
And release the potential inside - that you hide  
'Cause you've got beauty in you  
You know if it was out today:  
Find it, continue  
There you go, there you go  
When you open up yourself to me  
You show what you can really be  
It's all within you  
Don't you know, no no no

Plastic fantastic  
Go where you get what you want when you want it  
Do something drastic  
'Cause you deserve to be desired  
Faceless, fakeness, ruthless, crudeness  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically

It is cruel  
That we all know we could look cool  
Without evolution of soul  
It is only a matter of gold - what you hold  
But I doubt the satisfaction  
When you only fix a fraction  
You just continue  
There you go, there you go  
Your looks may be anatomy  
But beauty it is more to me  
It's all within you  
Don't you know, no no no

Plastic fantastic  
Go where you get what you want when you want it  
Do something drastic  
'Cause you deserve to be desired  
Faceless, fakeness, ruthless, crudeness  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically

If you don't look gorgeous, tragically  
Don't look gorgeous  
Don't look gorgeous  
Don't look tragically

Plastic fantastic  
Plastic fantastic, woah, woah  
Do something drastic  
Plastic fantastic

Plastic fantastic  
Go where you get what you want when you want it  
Do something drastic  
'Cause you deserve to be desired  
Faceless, fakeness, ruthless, rudeness  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically
