

## Ten Miles

Infernal

Lately, You don't, Even talk to me,  
And you don't, Need me, Like you used to do,  
Lonely, Never, Ever was for me,  
I would, Always, Hold my head up high

Oh-oh oh-oh I don't know why  
Oh-oh oh-oh Why don't you mind  
Oh-oh oh-oh I don't know why  
Oh-oh oh-oh You must be blind

Ten miles from you, And all i can do,  
Is wonder how we'll pull through  
Ten miles from you, It shouldn't be true  
I don't know how we'll pull through

I was, Never, One to be decieved,  
But with, You I, Oh I lose my mind

Oh-oh oh-oh I don't know why  
Oh-oh oh-oh I lost my pride  
Oh-oh oh-oh I don't know why  
Oh-oh oh-oh You blow my mind

Ten miles from you, And all i can do,  
Is wonder how we'll pull through  
Ten miles from you, It shouldn't be true  
I don't know how we'll pull through

Ten miles from you, And all i can do,  
Is wonder how we'll pull through  
Ten miles from you, It shouldn't be true  
I don't know how we'll pull through

Oooh

Ten miles from you, And all i can do,  
Is wonder how we'll pull through  
Ten miles from you, It should not be true  
I don't know how we'll pull through
