

I wanna know  
what you're thinking  
there are some things you can't hide...  
I wanna know  
what you're feeling  
tell me what's on your mind.

Here i am in silence  
looking round without a clue  
I find myself along again  
all alone with you...  
I can see behind your eyes  
the things that i don't know  
if you hide away from me  
how can our love grow?

I wanna know  
what you're thinking  
there are some things you can't hide ...  
I wanna know  
what you're feeling  
tell me what's on your mind.

I know I could break you down  
but what good would it do  
i could surely never know  
that what you say is true..  
here i am in silence  
it's a game i have to play  
you and i in silence  
with nothing else to say..

I wanna know  
what you're thinking  
there are some things you can't hide  
I wanna know  
what you're feeling  
tell me what's on your mind..

I wanna know  
what you're thinking  
there are some things you can't hide  
I wanna know  
what you're feeling  
tell me what's on your mind..  
I wanna know..  
what you're thinking..  
there are some things you can't hide..  
I wanna know..  
what you're feeling..  
tell me what's on your mind.
