

What's On Your Mind

Information Society

I want to know
What you're thinking
There are some things you can't hide...
I want to know
What you're feeling
Tell me what's on your mind.

Pure energy
Here I am in silence
Looking round without a clue
I find myself along again
All alone with you...
I can see behind your eyes
The things that I don't know
If you hide away from me
How can our love grow?

I want to know
What you're thinking
There are some things you can't hide ...
I want to know
What you're feeling
Tell me what's on your mind.

I know I could break you down
But what good would it do
I could surely never know
That what you say is true..
Here I am in silence
It's a game I have to play
You and I in silence
With nothing else to say..

I want to know
What you're thinking
There are some things you can't hide
I want to know
What you're feeling
Tell me what's on your mind..

Pure energy
I want to know
What you're thinking
There are some things you can't hide
I want to know
What you're feeling
Tell me what's on your mind..
I want to know..
What you're thinking..
There are some things you can't hide..
I want to know..
What you're feeling..
Tell me what's on your mind.
