

Why Don't You

Ingram Hill

You could fall apart
It wouldn't take a lot
So fragile
Your porcelain heart
You don't wanna be
Another casualty of love's war
So you won't even start

I won't hurt you
I won't

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you

You've heard I've been around
But I'm so different now
Believe me
Let me show you how
Cause I won't lead you on
You'll be the only one
It's alright
That man is gone

Cause I won't hurt you
No I won't

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you

Let me have the chance to make it alright
Follow what you're feeling
It will be fine
Baby you should be mine

Why don't you let me be the one to love you
Why don't you help me find a way to

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you

Let me be the one
