

End of the World

Ingrid Michaelson

When the sun runs out
and there's no one to save you
Will you go to our favorite place
and try to say goodbye

At the end of
At the end of the world
Will you find me
Will you find me
At the end of
At the end of the world
Will you find me
So that we can go together

When the moon breaks up
and the tide goes out of control
Will you find me in the water
and swim me to the stars

At the end of
At the end of the world
Will you find me
Will you find me
At the end of
At the end of the world
Will you find me
So that we can go together

Together...

When the sun breaks up
and there's no one to save you

At the end of
At the end of the world
Will you find me
Will you find me
At the end of
At the end of the world
Will you find me
Will you find me
Will you find me
Will you find me
