

# Girls Chase Boys

Ingrid Michaelson

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

I'm a little let down but I'm not dead  
There's a little bit more that has to be said  
You played me now I play you too  
Let's just call it over

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls  
Chase girls, chase boys, chase boys, chase girls

I'm a little bit home but I'm not there yet  
It's one to forgive but it's hard to forget  
Don't call me, I won't call you too  
Let's just call it over

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

Chase girls, chase boys, chase boys, chase girls

I got two hands, one beating heart  
And I'll be alright  
I'm gonna be alright  
Yeah I got two hands, one beating heart  
And I'll be alright  
I'm gonna be alright

All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

All the broken hearts in the world still beat  
Let's not make it harder than it has to be

Ohh, it's all the same thing  
Girls chase boys chase girls

(Oh everything is going to be fine  
Oh everybody loves you baby)  
All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

(Oh everything is going to be fine  
Oh everybody loves you baby)  
All the broken hearts in the world still beat  
Let's not make it harder than it has to be  
Ohh, it's all the same thing  
Girls chase boys chase girls

Ohh, it's all the same thing
