```
She says you're a masochist for falling for me,
So roll up your sleeves.
And I think that I like her, 'cuz she tells me things I don't w
ant to hear,
Medicinal tongue in my ear.
When will it stop? When will it stop?
When will I feel all soft on the inside?
When will I feel all soft on the inside?
When will I feel soft, soft?
You say that my skin feels like no one else's,
That it's different somehow.
But I don't understand, isn't a hand just a hand?
No you don't understand.
When will it start? My broken part?
When will I feel all soft on the inside?
When will I feel all soft on the inside?
When will I feel soft, soft?
0000
When will I feel all soft on the inside?
When will I feel all soft on the inside?
When will I feel soft, soft?
She says you're a masochist for falling for me.
