

# Mountain and the Sea

Ingrid Michaelson

You call me a mountain  
And I call you the sea  
I'll stand tall and certain  
And watch you swallow me

You can move me if you want to  
You can move a mountain you can move a mountain  
You can move me if you want to  
You can move everything, you can move everything

I will grow my own trees  
While you follow the moon  
I feel you in my knees  
Say you'll come in soon

You can move me if you want to  
You can move a mountain you can move a mountain  
You can move me if you want to  
You can move everything, you can move everything

Then one day you'll go away but I will too  
But until then, oh my darling friend, well I will hold  
Yes I will hold, Yes I will hold  
Yes I will hold on to you

You can move me if you want to  
You can move a mountain you can move a mountain  
You can move me if you want to  
You can move everything, you can move everything
