

# Over You

Ingrid Michaelson

Over, I'm so over you  
The way that you look in a three-piece suit  
Over, I'm so over you  
The way that you held me when nobody else would

Maybe if I tell myself enough  
Maybe if I do  
I'll get over you  
Maybe if I tell myself enough  
Maybe if I do  
I'll get all over you, you  
All over you, you

Over, I'm so over you  
The way that you laugh at everything that I do  
Over, I'm so over you  
The way that you said that you'd always be true

And maybe if I tell myself enough  
Maybe if I do  
I'll get over you  
Maybe if I tell myself enough  
Maybe if I do  
I'll get all over you, you, you  
Over you, you, over you

I'm falling around you  
I'm falling around you  
I'm falling around you  
I'm falling around you

Maybe if I tell myself enough  
I'm falling around you  
Maybe if I do  
I'm falling around you  
Maybe if I tell myself enough  
Maybe if I tell myself enough  
I'm falling around you  
Maybe if I do  
I'm falling around you

Maybe if I tell myself enough  
Maybe if I tell myself enough  
Maybe if I tell myself enough...  
I'm falling around you

Maybe if I tell myself enough  
Maybe if I do
