

# Time Machine

Ingrid Michaelson

You lit the fire  
Then drank the water  
You slammed that door and left me standing all alone  
We wrote the story  
We turned the pages  
You changed the end like everybody said you would

I should have seen it coming  
It should have sent me running  
That's what I get for loving you

If I had a time machine  
And if life was a movie scene  
I'd rewind and I'd tell me run  
We were never meant to be  
So if I had a time machine  
I'd go back and I'd tell me run, run

I got your letters  
I got your words  
I stacked them high and lit them all and let them burn  
Your broken sorrys don't mean a thing  
You made that bed  
Good luck falling back asleep

I should have seen it coming  
It should have sent me running  
That's what I get for loving you

If I had a time machine  
And if life was a movie scene  
I'd rewind and I'd tell me run  
We were never meant to be  
So if I had a time machine  
I'd go back and I'd tell me run, run

Oh your love it got me higher  
Then it drove me up the wall  
But the higher up you go  
The further you will fall

If I had a time machine  
And if life was a movie scene  
I'd rewind and I'd tell me run  
We were never meant to be  
So if I had a time machine  
I'd go back and I'd tell me run

If I had a time machine  
And if life was a movie scene  
I'd rewind and I'd tell me run  
We were never meant to be  
So if I had a time machine  
I'd go back and I'd tell me run, run
