

## Escapology

Ingrowing

I have to leave, I have to escape  
But better run before more shots will come  
Swaying in rapture, swaying with fear  
Seeking for some exit before I am done  
Escape, escape...  
Deformed mind, drug addicted, looking for way out  
Intoxicated but innocent I am lost in that maze  
I'm not the first even the last, aetheric sniffer scout  
I cannot see, I cannot hear, I cannot feel anything  
Through this errant haze... Escape, escape...  
Get our of here, get out of here...  
I have to leave, I have to escape  
But better run before more shots will come  
Intoxicated but innocent I am lost in that mare  
Intoxicated but innocent I am running out of my home
