

Revolting Waste - Fuck the Hoax

Ingrowing

Wasted, we're wasted... segregation
An earthquake plan... mind drillers formation

Who believe that? Revolting waste? Fuck this hoax...
Who cares about? We erased them... Who provokes?
Form the line. Prepare to fight. Let's go, folks!
Who believe that? Revolting waste? Fuck this hoax...

Wasted, we're wasted... segregation
An earthquake plan... mind drillers formation

Don't believe this fake, it's our new world
There's none who can turn it back, turn it back

An army of wasted, under ground
Life level subzero, now unbound

Go! It is a malicious fake...
