

Tragic: The Gathering

Ingrowing

In depth of of our souls
We found just one place
Expelled and almost hunted down
Gathered in forgotten space

An earthly hell catacombs, bunker or a slum?
It's tragic, a gathering of godforsaken scum...

Paradise of malice, filth, sickness and doom
How to change our destiny, living in this tomb?

Tragic gathering
Brotherhood of desperation
Safe or fucking not?
Unanswerable question...

Tragic, ill-logic
Tragic gathering...
