

# Save My Life

Inhabited

I wanna be everything I am  
When it's only you  
Oh but time and time again  
I'm always in the way  
As I chase after you oh  
Never stepping past myself  
You captivate me  
Oh but I'm always, always somewhere else  
And I don't deserve your grace, don't deserve it

Would you save my life  
Would you tell me I'm ok  
Would you love me  
You love me still  
When it's all that I can say (repeat)  
Today

I get so careless  
I'm distracted by my thoughts  
They're always new  
And I hate my disguise  
But it sure makes a pretty smile  
As I reach out to you oh  
With my hands in my pockets  
I ask for more I give you all my nothing, everything  
I don't deserve your grace  
Don't deserve it

Would you save my life  
Would you tell me I'm ok  
Would you love me  
You love me still  
When it's all that I can say (repeat)  
Today

I thank you for your love  
I thank you for your grace  
I need you every hour  
Every moment of every day  
I need you

Save my life  
Tell me i'm ok  
Would you love me  
Love me still  
When it's all that I can say  
Would you save my life  
Would you tell me I'm ok  
Would you tell me I'm ok  
Would you tell me I'm ok  
oh today  
oh today  
oh today
