Babylon, Babylon, aye watch ya man, for what are you searching
Babylon, Babylon, level yu vibes, I telling ya ma papers right
Babylon, Babylon, ain't got no bribe, money done a dance last night

What that you doing, man, you must be mad
Gimme me belonging, a how come you so bad?
Put away your weapon, 'cause that soft to I
Learn that how you live is how you die, what is this?

Babylon, Babylon, aye watch ya man, for what are you searching
Babylon, Babylon, level yu vibes, I telling ya ma papers right

Won't you take my advice? Don't go create strife
Go do something nice for one day of your life
'Cause everything you giving, that you shall receive
Hey, hey, hate my God and die, love him and live, what is this?

Babylon, Babylon, leggo me hand, no, you're not my girlfriend
Babylon, Babylon, aye watch ya man, for what are you searching
Babylon, Babylon, level yu vibes, I telling ya ma papers right
Babylon, Babylon, ain't got no bribe, money done a dance last night
