

Call The Police

Ini Kamoze

Calling all stars
Calling all stars
This is an emergency
There is a crucial jam at the corner of R and B
Proceed with caution
Suspects are musically armed and dangerous

Call the Police Police Po-lice
I'm about to make a hit, yea
Call the Police Police Police Po-lice
A heart is about to quit

Jump off ma stool outa ma corner
May I have the floor to say
I play the fool to catch the wiser
Now I've gotta motto that the guilty must P-A-Y

Call the Police Police Po-lice
I'm about to make a hit, yea
Call the Police Police Police Po-lice
A heart is about to quit

Don't single me out as the worst offender
My words and my actions are clear
We analyze like a computer
Set set evil men conscience in fear

Call the Police Police Po-lice
I'm about to make a hit, yea
Call the Police Police Police Po-lice
A heart is about to quit

Jump off ma stool outa ma corner
May I have the floor to say
I play the fool to catch the wiser
Now I've gotta motto that the guilty must P-A-Y
