

Lose Yourself at the Nymphaeum

Inkubus Sukkubus

At the Nymphaeum you can lose your mind
You can lose all time
And damn yourself to love
At the Nymphaeum you can have it all
You can be reborn
And damn yourself to love.

Lose yourself at the Nymphaeum
Give your soul up to lust

At the Nymphaeum you shall have the truth
You shall have your youth
Damn yourself to love
On a summer night with perfume in the air
Desire is everywhere
Damn yourself to love

Lose yourself at the Nymphaeum
Give your soul up to lust
Be consumed in the ecstasy
Drown yourself in sexual fire.

At the Nymphaeum and underneath the stars
Sink into the dream
Damn yourself to love.

(2x)

Lose yourself at the Nymphaeum
Give your soul up to lust
Be consumed in the ecstasy
Drown yourself in sexual fire.

Fall as a fool to the lunacy
Underneath the summer moon
Lose yourself at the Nymphaeum
Paradise is here and now.
