

Queen of Heaven, Queen of Hell

Inkubus Sukkubus

She is temptation, she is salvation
Melancholia and Elation
She is destroyer and creator
She is sukkubus and purest virgin angel

She's beyond good and evil
She's an angel and a devil
She is darkness she is light
She's beyond good and evil

She's a phoenix rising higher
She's a falling Seraphim
She is the chalice the holds the sacred fire
She is the Dead she is the Damned

She's beyond good and evil
Queen of Heaven, queen of hell
She should be kind -- but never mind
She's beyond good and evil
