

## Vampyre Erotica

### Inkubus Sukkubus

Your heart burns for love  
My soul burns for blood  
I'll take you, I'll break you  
I'll crush you, I'll break you  
If you want me, I'll need you  
I'll kill you, feed from you  
I'll take you down that road  
That leads to destruction  
Come and take a walk with me  
Where the angels fear to tread  
Kiss the flame, feel the pain  
In the furnace of our love  
I can't feed my hunger  
Your youth makes me younger  
I'll hurt you, desert you  
Turn your dreams to nightmares  
I'll cheat you, I'll eat you  
I'll maim you, I'll drain you  
Come to me, come to me  
To the dark side where love sleeps  
Come and take a walk with me  
Where the angels fear to tread  
Kiss the flame, feel the pain  
In the furnace of our love  
Come alone and talk with me  
Sing the sweet song of the spell  
Give your body, give your soul  
In the furnace of our love  
I'll hurt you, you'll love me  
I'll scratch you, I'll cut you  
You'll kiss me, then miss me  
I'll laugh at your torment  
I'll have you, and own you  
Be hard and cold to you  
I'll be your dark angel  
I'll be your worst nightmare  
Come and take a walk with me  
Where the angels fear to tread  
Kiss the flame, feel the pain  
In the furnace of our love  
Come alone and talk with me  
Sing the sweet song of the spell  
Give your body, give your soul  
In the furnace of our love  
I'll need you, I'll scold you  
I'll touch you, I'll hold you  
I'll take you, I'll bite you  
I'll calm you, excite you  
I'll love you, I'll need you  
I'll kiss you, I'll kill you  
I'll beat you, I'll eat you  
I'll crush you, I'll thrill you  
I'll scratch you, attack you  
Destroy you, devour you  
I'll hold you, I'll hurt you  
I'll maim you, I'll drain you  
Come to me, Come to me

Come to me, Come to me  
I'll have you, I'll own you  
I'll tempt you, I'll drop you  
I'll get you, I'll kick you  
I'll take you, forsake you  
Deny you, defy you  
Condemn you, desert you  
I'll cut you, I'll scratch you  
I'll harm you, disarm you  
I'll need you
