Faster the Chase

(Bring You down) I feel alone (Feel alone) Someone takes my picture But never looks at me In the eyes You don't see me laughing You don't But I'll still be here waiting for you I feel alive You were my ecstacy It's you that I'm craving I feel alive You were my energy So why do you hate me? (oh Bring you down) I feel at home (feel at home) Someone takes my feelings (takes my feelings) Throws them all away You don't see me laughing You don't But I'll still be here waiting for you I feel alive You were my ecstacy it's you that I'm craving (Bring you down) I feel alive You were my energy so why do you hate me? (Bring you down) Leave and take me with you (with you) Take me But I'll still be chasing you Fast (yeah) Chasing! Faster! (yeah) Leave and take me with you Take me But I'll still be chasing you I feel alive You were my ecstacy it's you that I'm craving I feel alive You were my energy so why do you hate me I hold you close Holding you close to me You are my angel

InMe

I've lost control You were my enemy But now your my friend
