

# Happy to Disappoint You

InMe

Greed is all over  
The rapid demise of everything  
Has led me to allow my hidden strength to surface and spill (over)  
Intrepid desire, ambition to die for  
Determination, on the edge of hell we stand, we stand united still

I am happy to disappoint you, it's what I do  
I am happy to reappoint myself as the commander of my sins  
I am happy to disappoint you, it's what I've always done  
There is no point in being cryptic, greed is all over

It's not what you say, it's what you do that counts  
And increases the trust in your conviction (turn the page over)  
And it's not black and white, there are many colours to choose from  
Boundless, we stand in infinity, the quadrant succeeds the trinity

I am happy to disappoint you, it's what I do  
I am happy to reappoint myself as the commander of my sins  
I am happy to disappoint you, it's what I've always done  
There is no point in being cryptic, greed is all over

We betrayed ourselves, that's one thing we said we wouldn't do  
And now I am happy to disappoint you, the rapid demise of everything

I am happy to disappoint you, it's what I do  
I am happy to reappoint myself as the commander of my sins  
I am happy to disappoint you, it's what I've always done  
There is no point in being cryptic, greed is all over
