

You could outrage the silent sea,  
I want to be, I need to be something more like you,  
Loneliness it confronts me,  
I want to be, I need to be something more like you,  
Secrets crack silently when you fall,  
Poison my knife we could be here all day,  
If I fly I'll escape this nest,  
I want to be, I need to be something more like you,  
And I don't need to be like the rest,  
I want to be, I need to be something more like you,  
I want to be, I need to be
