

Just a Glimpse

InMe

Just wait, there's no need to frustrate
Waiting is the best part
I'll see you it's only a matter of time (before i)
I love you, and no one can take that away (still crying)
To prove to you, this isn't just an obsession

(Your soul) lights up inside (scared of my own dreams)
Super imposed (wanting to be free)
You twist the ocean (cry myself to sleep)
It tastes good, to me

Sweet, sour, flavour (still crying)
Your taste, makes, cringe and smile

(Your soul) lights up inside (scared of my own dreams)
Super imposed (starving for release)
You twist the ocean (cry myself to sleep)
It tastes good, to me

Just one more glimpse
Just one more glimpse (please let me in)
Just one more glimpse (scared of my own dreams)
Just one more glimpse (one more glimpse of you)

(if you can help)
Help, help me out,
One more chance, help me out,
One more glimpse, just one glimpse,
Of her face, I am broken...

FOR JUST ONE MORE GLIMPSE

Just one more glimpse (please let me in)
Just one more glimpse (scared of my own dreams)
Just one more glimpse (one more look at you)
Just one more glimpse

(if you care)
JUST ONE GLIMPSE (if you care)
(if you care)
