Love you john, love you marco

Twenty summers into dying, and i know. Without you this all would be pointless i'm sure, i'm sure of t hat.

(Loyality say that you'll follow don't apologize. Spreading ourselves open is all we've got your in this for bloo d.

And i'll tell them who you are if you decide to hide. They'll witness me daily as i sometimes run behind)

you backing out now, what i mean erosion for us all.

I rather not bruise but play the verb of sound it's just us it's just us now.

(Loyality say that you'll follow don't apologize. Spreading ourselves open is all we've got your in this for bloo d.

And i'll tell them who you are if you decide to hide. They'll witness me daily as i sometimes run behind)

you, watch me run behind all of, you sometimes run behind.... a ll of you.

(Loyality say that you'll follow don't apologize. Spreading ourselves open is all we've got your in this for bloo d.

And i'll tell them who you are if you decide to hide. They'll witness me daily as i sometimes run behind)

YOUUUUU
