

The Mirror

Inmoria

I am a mystery
Living in a life of sorrow

I am a blasphemy
Why can't you see
That I'm a trail of chaos

I am a sacrilege
A fading light
Somewhere in the shadows

I am a living lie
Trapped in a circle of sadness
With the mirror as my only friend

Come closer can't you see me
Come closer can't you feel me

The mirror never lies
I've got no reflection still I see the sorrow
The mirror never cries
Yet I see the tears from the face in front of the mirror
The mirror the mirror never lies
Have I lost my mind
Or is it over now
'Cause I can't see my own reflection in the mirror

I am the circle of madness
I am the one who calls you

I am the garden of Eden
A lonely shadow
Don't you know who I am

I am the child in the mirror
An empty face
I am the chaos around you

I am the face in the mirror
Why can't you see
The mirror never lies
